

## **Please sign up to help in at least one area...it takes each of us to make a difference for all of us!**

Attention all Moms and Dads! Volunteering at Vintage Hills is a great way to be more involved in your child's education, make new friends, and have a positive impact on our school community. There are a wide variety of activities you can help with – some are short-term projects, others are more long-term, ongoing commitments. There really is something for everyone here!

Below are the areas where VH and the PTA could definitely use your time and talents. **Please check the opportunities (feel free to select more than one!) you would like to assist in** and return this form to the PTA table at registration or drop it by the office the week after school begins. Thank you!
